For the attention of: The Quality Authority

Dear Sir / Madam,

BAE Systems – Air (Aircraft Business Units) Supplier Quality Approval

Following a review of your Quality arrangements, at the location detailed above under the control of the nominated Quality Authority, we have pleasure in granting a Supplier Quality Approval against the following approval requirements for the scope specified (along with any additional approval requirements identified within your scope of approval):-

BAE/AG/QC/SC1 Part 1 – Sub-Contractor (Make to Print)

Your BAE Systems approval number is identified above; this approval number shall be referenced on all relevant documentation. Your approval is valid from the date of this letter; the validity is dependent on your compliance with BAE Systems (Aircraft Business Units) Quality Requirements for Suppliers, reference: BAE/AG/QC/SC1 Parts 1 to 7 (Part specific to your approval type) and any other supplementary programme Quality requirements. Additionally, where organisations undertake activities covering a number of approval types, we may decide to issue a single approval to cover the full scope with specific quality requirements clearly identified within the approval against different sections of the scope or categories of approval. This Letter of Approval does not identify an expiry date; however, your company will be subject to periodic risk based assessments by BAE Systems to maintain the approval validity. This approval shall be disseminated to all relevant areas within your company.

Should you have any queries regarding this approval, please contact the undersigned. A BAE Systems Certificate of Approval will be provided to the Quality Authority upon request.

**Yours faithfully,
For and on behalf of
BAE Systems (Operations) Ltd**
