

The header features a dark blue rectangular box on the left containing the text 'AIRBUS ATTESTATION' in white, bold, sans-serif capital letters. To the right of this box is a wide, horizontal photograph of three Airbus A350-900 aircraft flying in formation above a thick layer of white clouds under a clear blue sky. The aircraft are white with blue and green accents on the tail and fuselage.

## AIRBUS ATTESTATION

This attestation is granted to:

**MJ SECTIONS LTD**

CRADLEY ROAD

DY2 0JZ - DUDLEY - GB

This attestation demonstrates recognition of Airbus Commercial Aircraft qualification for:

**Special Process (SP):**

01 JOINING TECHNIQUES

03 INSTALLATION, MANUFACTURE, FABRICATION

**Non Destructive Testing (NDT):**

PENETRANT

*Note:*  
*The official and updated qualification database remains QSPL (Qualified Special Process List) for SP and NDT published on [www.airbus.com](http://www.airbus.com).*

**Special Processes (SP) as listed in Airbus Commercial Aircraft QSPL for**

**MJ SECTIONS LTD - ( 221301 )**

| Family                                    | Process Specification (PS) Ref | PS Title                                                                   | Process Instruction (PI) Ref | PI Title                                                                   | Status                     | Expiry Date (In case of authorisation to proceed) | Limitations                                                                       |
